# SYMBOLUM VENATORES

## *SYMBOLUM VENATORES*

*"History is their Playbook"*

*Symbolum Venatores* is a world centered upon history. Featuring various monster hunters who lived across eons, doing their work to protect and to preserve humanity. There have been many hunters. Many.

The *Symbolum Venatores* itself is an organization kept from the population devoted to taking out and eliminating monsters of both this world and the spiritual. Every culture has their stories, their gods, their ways, their laws. They also have their own monsters. This is their revelation. Several main characters are focused within this brand (*Gabriel Kane, Mr. Hod, Elrad of Benjamin, Einar the Hunter, etc.*)

# FRIGHTENED!

DARK  
TITAN

## *DARK TITAN'S FRIGHTENED!*

*Frightened!* is a children's/middle-grade/young adult anthology brand of tales within the mythical, supernatural, and the unknown. Inspired by *Goosebumps* and *Scary Stories to Tell in the Dark*.

Currently has one book released (*Frightened!: The Beginning*) with TV, animation, and film being the focus of the brand going forward.

**\*TRANSMEDIA POTENTIAL\***

# INSTINCTS

## *DARK TITAN'S INSTINCTS*
