

# ABADDON'S RISE TO DESTRUCTION

For the time is near  
When the Witnesses of the Most High  
Appear before all who live on Earth  
They will preach the end days  
The future Kingdom will be prophesized

The people of the World  
Will grow in hatred and envy  
Taking measures into their own hands  
To kill and destroy the Witnesses  
To end their prophesizing

The Witnesses will be shielded  
By The Most High, the Creator of All  
Nothing will be able to annihilate them  
Nor kill them before their time.  
They, themselves will exhale fire from the mouths

Supernatural talks will ensure  
People will become petrified by the power  
They will stand and watch the Witnesses  
Prophesizing of the great things to come  
Though the people of the world disbelief

For the Witnesses stand alike olive trees  
That cannot be knocked down nor shaken by the might of man  
For they can shut Heaven, that it not rain in their days  
Powers that can turn water into blood and smite the earth with plagues  
As often as they will during their days

Upon finishing their divine mission on earth  
The Beast will ascend out of the bottomless pit  
His goal to make war with them and the Most High  
He will overcome the Witnesses and kill them  
The people of the world will be astonished on earth

For their dead bodies will lie on the ground where they were smitten  
The people of all cultures and creeds will see their dead bodies  
For three days and a half, they shall not be buried  
For the people of the world will not give them the respect  
Of a honorable burial, for they were smitten and suffer graves

The people of the world will rejoice and sing  
They will make merry and shall send gifts to one another  
Because the two Witnesses, the prophets had tormented them  
That dwell on the face of the earth  
For Abaddon's Rise has begun will a praise of worship

Abaddon will causeth all to receive a mark  
A mark that will allow those to either buy or sell  
Those who do not receive the mark are subjected to death  
Abaddon's rule is made of an iron forged from the pit  
Abaddon's leadership is that of the god of this world

After the three days and a half  
The Spirit of life from the Most High will enter  
Into the bodies of the Witnesses as they will stand upon their feet  
A great fear will fall upon those who will witness  
They will tremble at their presence

A great voice will come from the heavens  
Saying, come up here, for they will ascend  
Into the heavens in a cloud  
Their enemies will beheld them  
And tremble at their presence

Within the same hour, an earthquake will shake  
Trembling the earth greatly as a tenth of the city shall fall  
The earthquake will slay men of seven thousand  
The Remnant were affrighted  
For they gave glory to the Most High

The second woe has past  
For behold to the earth  
The third woe cometh

Cometh quickly before the earth  
To prepare for the Coming King

Abaddon knows of the time  
Abaddon knows of the seasons  
Abaddon knows of the Coming  
He prepares his army for the time  
He prepares his people for the seasons

Abaddon awaits for the Coming  
The Coming that confronts his time  
The Coming that stumbles his seasons  
Abaddon sits for the forty-two months of the seasons  
For after the seasons come Abaddon's destruction
